American Reading Glasses.com

Dear American Reading Glasses.com,

I am writing to you to express my great satisfaction with your glasses. Not only do they serve my needs visually (which is tough to do!) but, for someone who has a habit of losing glasses, their replaceability – both quickly and inexpensively, along with your excellent customer service is worth a lot to me.

Thank you very much for your terrific product!

Best regards,

Alec M. Gallup
